Ireland's leading logo mat supplier

FOOTFALL LOGO MATS

Ideal for branding, promoting and enhancing your business image.

Based in Galway, Footfall are a specialist matting provider with years of experience creating high-quality logo mats for customers throughout Ireland. Footfall logo mats are all 100% nitrile rubber backed and use the latest generation of dye injection technology that allows for the creation of hundreds of colours - enabling us to create all kinds of details such as 3D effects, photographic reproduction, shading and shadowing on textile pile.

BENEFITS OF OUR LOGO MATS

Ireland's leading logo mat supplier

FOOTFALL MATTING

As matting specialists, Footfall supply a huge range of matting and flooring products including fixed entrance matting, anti fatigue matting, cleanroom compatible matting, wet area matting, coir matting, matwell frames and trims, carpet tiles and a variety of other logo mat products – see more information below on our 17mm coir logo mats, rubber logo mats and high resolution photographic mats.

FIXED ENTRANCE MATTING FOR MATWELLS AND SURFACE MOUNTING

An effective fixed matting system will significantly improve the safety of your entrance. The unique textile construction of our system captures moisture instantly, reducing the potential for slips and falls.

- Can be installed into a matwell or surface mounted
- Easy maintenance – simple vacuum clean
- Extendable modular design is also easy to replace and repair
- Supply and install service available with 5 year wear warranty

PROMO MATS

HIGH RESOLUTION PHOTOGRAPHIC MATS

High resolution photographic mats help promote products and events.

They are ideal for seasonal campaigns, exhibitions and once-off events taking place for specific periods during the year. With Footfall Promo mats the opportunities are endless!

- easy to place and remove
- non-slip rubber backing and a low profile
- photo quality when printed with excellent, vibrant graphics to catch the attention of your customers
- making the most of floor space at event - trade shows / expos
- can also be used in bars, shops and restaurants to promote a new product or occasion

RUBBER LOGO MATS

Footfall have two types of rubber logo mats available - for both indoor and outdoor use.

Rubber logo mats are suitable for restaurants, hotels, retail, events and commercial use, and have the option of using a digitally printed logo or a high resolution image on 100% nitrile non-slip rubber.

COIR-LOGO MATS

Coir logo mats are made from natural coconut fibres at a standard 17mm depth on PVC backing. These mats are suitable for matwells experiencing light to medium foot traffic, and can display a simple company logo or message.

- Vacuum clean
- Wide range of sizes available
- No minimum order
- Discounts for quantity purchases
- Supply and install service available
