

Connex Matting System

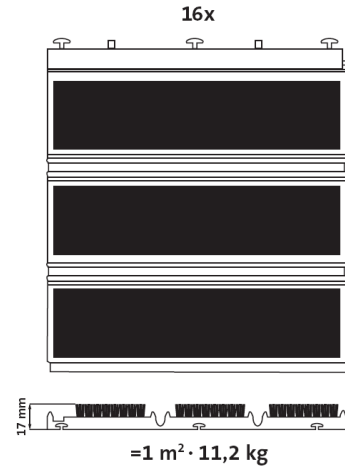

Specification:

Footfall 16mm Connex in Closed Format

Tile Material: UV Resistant PVC
 Tile Construction: Closed
 Total thickness: 16mm
 Tile Size: Nominal 250 x250mm
 Total Weight: $1\text{m}^2 = 11.2\text{kg}$

Tufting Specification;
 Construction: Cut Pile
 Focus Infill Pile Weight: 1030 g/m²
 Maximus Infill Pile Weight: 1000 g/m²

Slip Test: DIN 51130
 Tiles to Box: 16 tiles per box
 Tiles to sqm: 16 tiles to sqm

Focus

Anthracite 25.01

Grey 25.02

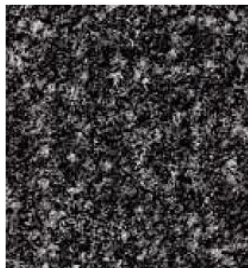

Brown 25.03

Red 25.04

Focus is a durable clean-off floor covering with a perfect dual-fibre cleaning structure (pile weight 1.030 g/m²). It is suitable for areas of buildings with very high footfall. The coarse fibre brushes away dirt; the fine fibre absorbs moisture.

Maximus

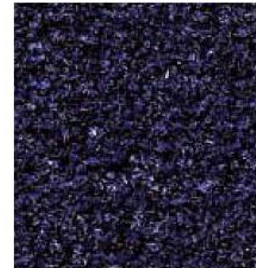

Grey mottled 81.03

Black mottled 81.01

Brown mottled 81.04

Blue single colour 80.06

Maximus is made from tufted velour with a pile weight of 1000 g/m². It is dimensionally stable, abrasion-proof, achieves optimum cleaning performance and absorbs high levels of moisture.
